

EU NATURAL HERITAGE ECHOES PROJECT EVENT

Organized by the Municipality of Ribamontán al Mar
4 June 2021 - Ribamontán al Mar (Spain) – On line Event

ECHOES PROJECT is a network of 18 partners from 13 EU Countries + AL, RS and FYROM, which stems from the belief that the creation of a Community Cultural System can assure a fruitful and stable cooperation between Local Authorities and CSOs from the cultural and social sectors, working together for social inclusion of disabled people, migrants, needs and vulnerable groups in general, through the valoration of the cultural y natural Heritage.

The ECHOES PROJECT is organizing an internacional ONLINE Meeting to promote the valorization of natural, tangible and intangible heritage on 4th June, organized by the Municipality of Ribamontán al Mar (Spain), through of a TEAMS event.

During this event, participants will have the opportunity to have an approach to the natural heritage of the surf reserves. The event will also be a time for sharing good practices between partners on the topic of this event.

1- Reply to this email confirming your organisation will be attending the event:

2- Register 3 participants before May 24. through the following link:
<https://forms.gle/f3cHi5z1hxJAJ1xD7>

3- During the second day, 4th June, the partners will be asked to present the best practices for the valorization of the European Natural Heritage, thus we kindly ask you to fill in the fili [HERE](#) the participants who will make the presentations so that we could arrange the agenda properly (5 minutes per presentation), with a timeline of all the presentations. This should be done before June 1th.

On May 25th, we will send via email to all the registered participants the link to the TEAMS platform.
