### Fattoria Pugliese Diffusa Cultural Association

Taurisano – LECCE

ITALY

#### Where we are

# The Beginning

#### March 2009:

the organization was formally established in order to implement the project: *"FattoriaPuglieseDiffusa….let's discover authoctone regional breeds",* granted within the regional call for proposal "Principi Attivi"

# The Beginning

This 1 year project was about:

- <u>Discovering and cataloguing</u> 11 ancient regional breeds under risk of extintion;
- <u>Contacting farmers still working with these</u> animals and building a web platform;
- <u>Promoting visits</u> to the farms, among schools, public and private structures working with disvantaged people

# The Beginning

#### The organization changed its main aim into:

--> Supporting disadvantaged youngsters and adults coming from rural areas in their lifelong learning path.

#### **Target Groups:**
